

INFORMED CONSENT FOR CHIROPRACTIC TREATMENT AND CARE

I hereby request and consent to the treatment, adjustments, and other chiropractic procedures, including various modes of physiotherapy and diagnostic x-rays, on me (or on the patient named below, for whom I am legally responsible) by the doctor or intern affiliated with Belove Chiropractic.

I understand that, as in the practice of medicine, in the practice of chiropractic care there are some risks to treatment, including but not limited to, fractures, disc injuries, strokes, and dislocations and sprains. I do not expect the doctor to be able to anticipate and explain all risks and complications. I wish to rely on the doctor to exercise judgment during the course of the procedure which the doctor feels at the time, based on the facts known, and is in my best interest.

I have read, or have had read to me, the above consent. By signing below I agree to the above and allow the doctor or intern affiliated with Belove Chiropractic to perform such. I intend this consent form to cover the entire course of treatment for my present condition and for any future condition(s) for which I seek treatment.
